General Programs

→ Programs in 1 year, 2 years or 3 years:

- Professional Photography
- Professional Photography + Video/3D
- The Entrepreneurial Photographer : RNCP level 6, certification RNCP36195 registered on 25/02/2022, delivered by Spéos

These programs are offered in English or French, in Paris. They aim at acquiring a high level of versatility in professional photography: photo reportage, studio, fashion photography, corporate photography, digital image processing and management, video and 3D. **Students master photographic technique in all its artistic and technical dimensions.** They graduate - ready to go - with their own website and professional portfolio.

Supervision is provided by a team of highly qualified professionals in spacious photo studios equipped with state-of-the-art equipment.

Students enrolled in the Entrepreneurial Photographer programs participate in the Expert Modules during the last part of the program. They are accompanied in the elaboration of their "business plan" by recognized professionals in order to create their own company. These modules allow students to deepen their knowledge of the business side of photography.

Short Programs

→ *Short photography programs, from 1 week to 5 months:*

- ***Professional Photography Fundamentals in 5 months***

This program aims at acquiring the fundamentals of studio shooting and photoreportage. It gives an overview of the skills to master to become a professional photographer. This program takes place once a year, with an intake in January. The credits acquired during this program allow students wishing to become professionals to continue their studies at Spéos by integrating the second part of the 2-year and 3-year programs.

- ***Summer workshops in Paris***

The workshops are designed for beginners, amateurs and photography students alike. They deal with all the major aspects of modern photography: theory and practice, from past to present. Students may enroll for the full Summer Program or choose one or several workshops, depending on their own interests.

- ***Other workshops:*** Tailor-made photo cruises with Quai de la Photo, specialized workshops in Biarritz, online course in Commercial + Fine Art Portrait Photography.

MAGNUM
P H O T O S

Creative Documentary

by Magnum Photos & Spéos

- *Program in English, in 1 year, in Paris*
- *From September to July*

This program is designed for students who wish to pursue a career in documentary photography, in the visual storytelling tradition of Magnum Photos.

This program is intended for students who have the maturity and skills to work on long-term thematic projects. Assignments include event photojournalism, short photo essays and a longterm in-depth personal project.

The formal program is delivered by Spéos and its appointed teachers, and supplemented by Magnum photographers and staff.

Fashion, Luxury & Beauty Photography

- *Program in English, in 1 year, in Paris*
- *From September to July*

This program is aimed at students who wish to evolve exclusively in the domains of fashion, luxury and beauty.

Students have the opportunity to work on products of major brands with an artistic direction following the respective brand universe.

This program provides students with the foundations necessary to develop a critical reflection on fashion / luxury / beauty photography, while providing technical advice and educational support to develop their individual practice.

A woman in a pink dress and blue headscarf is dancing in a dusty village street. In the background, there are several small, simple houses and a large electricity pylon under a cloudy sky.

POLKA

Photojournalism by Polka & Spéos

- *Program in 5 months, in English or in French, in Paris*
- *Intake in January*

This program is for students who wish to evolve in photojournalism. The goal is to acquire the basics of shooting under various circumstances, and learn to tell a story in different forms (press, book publishing or artistic installation).

Supervised by the Spéos instructors and the Polka team, the students will follow a program combining lectures, workshops and meetings with professionals and renowned photojournalists.

Photojournalism by Spéos & Agence France-Presse (AFP)

- *Program in English, in 1 year, in Paris*
- *From September to June*

This program is designed for students who wish to pursue a career in Photojournalism. They will learn to cover the news in all its forms in photographs, at one of the world's three major news agencies.

By tackling the different facets of the photographer's job within an agency such as AFP, students will learn to develop the versatility that is essential in modern photojournalism.

The course is structured as follows:

- The part dedicated to the specificities of photojournalism and news within a press agency will take place at AFP.
- The technical and practical part, as well as social and corporate photography, will be taught at Spéos.
